

SPEAKER'S BUREAU DIRECTORY

Louisiana Jump\$Start is creating a Speakers Bureau as a vehicle to bring financial service professionals into the classroom, the workplace or an organization's meeting at no cost to share their expertise with adults and students. The list of speakers will span the spectrum of financial services (banking, securities, credit, debt, insurance, taxes, and housing) and will cover the entire state of Louisiana.

The Speakers Bureau Directory will be made available on our website and will be marketed through Facebook, our website and email blasts. Persons needing a speaker or presenter would peruse the chart to identify a speaker that lives in their area and speaks on the topic they need, and will make direct contact with you by email or phone to make the arrangements.

If you are interested in making yourself available to respond to requests for a guest speaker or presenter, please complete the information below:

Name _____

Phone (____) _____ Employer _____

Email _____ Website _____

Geographic Area (you will speak in) _____

Topics _____

Equipment you will provide: _____ Laptop
_____ LCD Projector

As a Louisiana Jump\$Start partner, you will be asked not to use the audience as a sales or marketing opportunity. You may note your organization during an initial brief introduction; however, repeated references and obvious self-promotion would not be appropriate.

Return completed form by fax to 1-888-251-7214 or by email to louisianajumpstart@gmail.com.
