

**Choices and Opportunity Costs**

Name \_\_\_\_\_

You have been given \$20 from your grandparents. You have 2 opportunities to spend your money and one opportunity to save it.

1.Go to the trampoline park	2.Go to eat at a restaurant	3.Put your money in the bank
		

**A. If you choose to go to the trampoline park...**

What is the benefit?	What is the opportunity cost (what do you give up)?

**B. If you choose to go out to eat...**

What is the benefit?	What is the opportunity cost (what do you give up)?

**C. If you choose to put your money in the bank...**

What is the benefit?	What is the opportunity cost (what do you give up)?

**What is the choice YOU would make with your \$20? Why?**
